All time-cost fees are charged per hour or part thereof in units of 10 minutes. So an in-specie transfer that takes 20 minutes, would be charged at £50.
## Other Information

We do not insist on a minimum of cash held on the scheme account however provision for payment of fees may need to be factored into any investment strategy and management. We reserve the right to charge for additional services on a time cost basis. Annual fees are deducted in advance from the scheme account where funds are available or invoiced separately to the member or company when applicable. Where a property purchase has been aborted there may be a charge to the account where work has been completed by both Intelligent Money and/or where such third parties (i.e. Solicitors, valuers etc.) have undertaken work. Any Solicitors Fees and Legal fees charged where applicable are in addition to our administration fees. All fixed fees are taken annually in advance.

## What are the Annual Fees for?

Provision, establishment and ongoing operation of your pension plan.

## Can the fees increase?

We reserve the right to increase our fees however we only do so after giving the member due notice if any increase is greater than inflation.

## Do you pay commission to my Financial Adviser?

No, we do not pay commissions.

## What does the term ‘in specie’ transfer mean?

This is the transfer of assets in any form other than cash.

## How are fees deducted?

Fees will either be deducted from the cash account or from the liquidation of funds.

## What is a ‘crystallisation event’?

There are a number of possible crystallisation events but the most common is when a member commences taking benefits from the plan.

## How are Investment Management and Adviser Fees Charged?

Investment Manager and Financial Adviser charges in respect of your Personal Pension will be deducted from the funds held with the Investment Manager or platform. Adviser charges for non-platform investments can be facilitated from the Plan.

## Is there a limit to how many income payments can I take?

You can take a maximum of one payment per calendar month.

## How often can I vary the level/frequency of income payments I take?

You can vary the amount and/or frequency of the pension payments you’d like to take as often as you like, however this will be charged under ‘Other Fees for Technical Work’ and is in any event limited to a maximum of one payment per calendar month.

2. TERMS OF THE AGREEMENT

This Agreement is between the Member and Intelligent Money (registered in England and Wales under Companies House registration number: 04398291).

This Agreement details the terms of business and the services which will be provided under the Plan for the Member whilst they participate in the Plan.

The Plan is a Registered Pension Scheme approved by the Revenue. The Plan has been established for the purpose of the provision of pension and lump sum benefits for eligible individuals under the Finance Act 2004. The Plan is governed by a Declaration of Trust and Rules (the Rules) and any subsequent deeds amending these.

Intelligent Money hereby undertakes to operate the Plan in accordance with the Rules and this Agreement. A copy of the Rules and amendments to them is available by writing to Intelligent Money, The Shire Hall, High Pavement, Nottingham, NG1 1HN.

The Trustee is the legal owner of all the assets of your Plan (which it holds on trust for you and/or your Beneficiaries). All investments not held in the name of a Nominee must be registered in the name of the Trustee.

3. CONTRIBUTIONS

You may contribute to your Plan at any time provided you remain eligible to do so. The Operator is also able to accept contributions on your behalf from your employer or another third party.

Contributions may be made as a one-off (or series of one off payment(s)) of any amount, or on a regular basis. There is a limit on the amount of contributions that can be made to your Plan by or on your behalf that will attract tax relief. Please refer to the Key Features for details of these limits.

You will have the option of taking all your benefits from the Plan at once, or taking your benefits in stages over a period of time. In achieving this, your Plan will be divided into crystallised funds i.e. funds you have designated for income withdrawal and uncry stallised funds i.e. the part of your Plan from which you have not yet taken any benefits.

Once part of your Plan has crystallised you will be able to continue making contributions, although these may be restricted depending upon the options you choose. Contributions (other than contributions made by your employer and contributions you make on or after age 75) are made net of basic rate tax. The Operator will claim the tax relief at basic rate from the Revenue.

The Operator makes such tax claims monthly, in arrears. Tax relief is not available for investment until it is received from the Revenue, which can take up to 11 weeks depending on the timing of your contribution.

Reclaimed monies will be credited to your Cash Account. You are responsible for reclaiming any higher rate tax relief from the Revenue and this will not be credited to your Plan.

You are not entitled to receive tax relief on contributions made by your employer. All proposed contributions must be supported by the appropriate application form and/or any other documentation required by the Operator.

Proposed contributions received without the appropriate documentation will be unavailable for investment and will normally be returned unless such documentation is supplied within 30 days of the proposed contribution being received.

Once a contribution has been accepted into your Plan it cannot normally be refunded. Refunds can only be paid from Registered Pension Schemes in very limited circumstances.
4. TRANSFERS

Transfers-in

You may arrange for a transfer of any other pension arrangement you may have into the Plan, provided it is consistent with the Plan Rules and the transfer rules applicable to Registered Pension Schemes. Transferred in funds will not be available for investment until the Operator and Trustee are satisfied the transfer is acceptable and the funds have been received. The Operator and Trustee reserve the right to refuse any transfer and may refuse to accept a transfer where a pension transfer specialist would normally be involved and you have not received this advice in respect of the transfer and have not signed a disclaimer indemnifying the Provider, Operator and Trustee. The Provider, Operator and the Trustee do not offer and are not authorised to give advice on transfers.

The Operator does not check transfers for suitability. It is your responsibility to decide that the Netwealth Personal Pension is suitable and appropriate to your needs.

If you have any doubts as to the suitability or appropriateness of the Netwealth Personal Pension or the investments to which it is linked you should seek independent financial advice from a Financial Adviser before deciding to invest.

Transfers-Out

You may request a transfer payment to be made from your Plan to another Registered Pension Scheme or certain qualifying overseas pension schemes.

The Operator and Trustee reserve the right to refuse to effect any such transfer until it is satisfied it is allowed under the Plan Rules and any overriding legislation.

The Operator and Trustee will not be liable for any lost investment opportunities or any reduction in the amount of the transfer payment arising during that time. The amount of the transfer payment will be the aggregate value of the part of your Plan being transferred as at the date the transfer is made, less any outstanding charges or charges incurred as a result of the transfer payment.

From time to time further distributions will made from the platform after the transfer has been completed in most cases the amounts will be sent to the new scheme however Intelligent Money will not transfer amounts that are less than £75.

5. CASH ACCOUNTS (not to be confused with cash deposit accounts you may hold as an investment within your Pension)

All monies in respect of your Plan, not applied for investment purposes, will be held in a Cash Account established by the Trustee at a designated bank (or banks) as the Trustee shall from time to time determine. The Trustee will be the sole authorised signatory to the Cash Account. The Cash Account is provided as a “current account” facility to enable payments in and out of your Plan and hold Funds not invested. As such it does not pay interest to the Member (as any interest available is retained in full by Intelligent Money to cover the costs of establishing and operating the Cash Account within your Plan at no additional charge). Cash Accounts are not permitted to go overdrawn.

Where monies are transferred to an Investment Manager permitted to hold Funds in respect of your Plan, the Investment Manager will be responsible for the establishment of a bank account held in the Investment Manager’s nominee name in a form acceptable to the Trustee and shall account for all transactions and interest periodically. The Operator and the Trustee do not accept liability for default by any authorised institution or any third-party (including an Investment Manager or bank) that holds cash in respect of your Plan.

6. STATEMENTS AND DOCUMENTATION

You will be provided with an annual benefit statement each year. The Operator will keep a record of payments in and out of your Cash Account and transfers between your Cash Account and Investment Managers. Details of the transactions undertaken by Investment Managers or Financial Advisers on your behalf will only be available from the Investment Managers and the Investment Manager must provide valuations at least monthly to the Operator.

You are responsible for checking the accuracy of statements as soon as it is reasonably possible and informing Us if there appears to be any inaccuracy. The Operator and the Trustee accept no responsibility for information provided by a third party.

7. INVESTMENTS

There is a wide range of investments into which Funds in your Plan can be applied and a list of permitted investments can be obtained by writing to the Operator. This range is restricted to the regulatory restrictions imposed by HMRC. The Operator and Trustee may from time to time vary this list for any reason which may include to comply with Revenue or legal requirements.

You will be notified by the Operator of any such changes and where practicable given 30 days prior notice. Your investment objectives must have due regard to the fact that the overall objective of your Plan is to provide retirement benefits.

Neither the Provider, Trustee nor the Operator provide financial advice nor accept any liability for the performance or choice of investments. The Operator and Trustee do not accept any liability for any tax charges should the Member, their Financial Adviser or fund manager invest in assets which are deemed to be prohibited by legislation or the Revenue.

8. INVESTMENT PROCEDURES

You may choose the investments of your Plan. The Trustee will enter into any necessary agreements with the chosen fund manager and all investments not held in nominee names must be registered in the name of the Trustee.

The Trustee will insist on limiting its liability and any liability of the Operator to the value of the part of your Plan invested with the fund manager.

The Operator will not be liable for any loss arising from your investment instructions. The Operator may aggregate your instructions with those of other Netwealth Personal Pension members and place an aggregated deal with the fund manager. Instructions to purchase units/shares in any investment will only be placed where you have sufficient cleared funds in the Cash Account.

The Operator will use the investment instructions advised by the Member or their adviser as pre agreed to transfer monies from the Member’s Cash Account to the Investment Managers. The Member may amend these investment instructions at any time and the Operator will apply these instructions to monies received after it has processed the new instructions.

Neither the Trustee, nor the Operator accept liability for any loss occasioned by any Investment Manager or other person or body which is responsible for any fund management or ancillary service connected therewith.

The Trustee will not exercise voting rights or any other rights in respect of any investment unless directed by the Member to do so. The Trustee reserves the right to realise investments to pay benefits or fees and charges under the Plan and this Agreement.

9. NON-STANDARD INVESTMENTS

The Financial Conduct Authority (FCA) publishes a list of Standard assets for personal pensions. Intelligent Money STRICTLY PROHIBITS the investment of any Plan funds into any asset that does not meet the FCA’s definition of a Standard asset, as defined below:

- The List of Standard Assets is as follows (subject to Note 1):
  - Cash
  - Cash funds
  - Deposits
  - Exchange traded commodities
  - Government & local authority bonds and other fixed interest stocks

  - National Savings and Investment products
  - Permanent interest bearing shares (PIBs)
  - Physical gold bullion
  - Real estate investment trusts (REITs)
  - Securities admitted to trading on a regulated venue
  - UK commercial property
  - Units in Regulated collective investment schemes

Note 1: A Standard Asset must be capable of being accurately and fairly valued on an ongoing basis and readily realised within 30 days, whenever required.

Any investment that does not meet the definition of a Standard asset as detailed above is classed as a Non-Standard Asset.

You also acknowledge that we have instructed your Financial Adviser and/or Investment Manager (where relevant) to also agree not to hold any Non-Standard assets within your Plan and that you are not permitted to make any instruction to any party to hold Non-Standard assets within your Scheme. You also acknowledge that we have instructed your Financial Adviser (and where relevant) to also agree not to hold any Non-Standard assets within your Plan.

As such you acknowledge, agree and undertake that Intelligent Money, Intelligent Money Trustees, Intelligent Money Group and their individual Directors and Employees have no liability whatsoever should either you, your Financial Adviser or your Investment Manager (where relevant) breach this rule of your Plan and access Non-Standard assets.
You acknowledge and agree that our rule to STRICTLY PROHIBIT you, your Financial Adviser and your Investment Manager (where relevant) holding Non-Standard assets within your Plan completely satisfies and discharges our duty of care to you in relation to Non-Standard assets within your Plan and that you agree to waive any rights to make any claim against Intelligent Money, Intelligent Money Trustees, Intelligent Money Group, their Directors and Employees should you, your Financial Adviser or your Investment Manager (where relevant) breach our rule on Non-Standard assets and that you agree to keep us fully indemnified against any such claim in relation to Non-Standard assets.

Any investments that are able to pay away marketing allowances of any kind are also prohibited by us.

10. COMPLAINTS

Should the Member wish to register a complaint in relation to the services provided under this Agreement then such a complaint can be made in writing to Intelligent Money, The Shire Hall, High Pavement, Nottingham, NG1 1HN. We will then forward to you a copy of our ‘Complaints handling procedures’ leaflet. Any complaint will be dealt with promptly. We will always endeavour to deal with a complaint in a fair and honest way, however, if you are unhappy or unsatisfied with our conduct of a complaint you can complain directly to the Financial Ombudsman Service.

11. VARIATION

The Operator and the Trustee have the right to make any amendment to these provisions in order to comply with a change of applicable law or regulation, by giving the Member or their appointed Financial Adviser 30 days’ notice. If the change is to the Member’s advantage then notice can be given within 30 days of the change.

This Agreement as varied, if appropriate, shall continue until your Plan has been terminated by the payment of a transfer value to another Registered Pension Scheme or the provision of annuity/death benefits in the appropriate form, or the Plan is wound up or otherwise there are no assets remaining in your Plan. No Member has the right to amend this Agreement. The Rules of the Plan can be amended without your consent in accordance with the power of amendment set out in the Rules from time to time in force. If such changes would have a material impact on you then the Operator will give you 30 days notice of any such change. Nothing in this Agreement restricts in any way the powers to amend the Plan contained in the Rules.

12. CANCELLATION RIGHTS – YOUR RIGHT TO CANCEL

To comply with legislation, the rules of the Plan will provide that within 7 days of your application for membership being accepted you will be issued with cancellation notice detailing your right to a 30 day cancellation period. Your right of cancellation or withdrawal is dependent on the type of transaction entered into. Please refer to the Operator or your IFA for further information.

How to cancel
If you decide that you wish to withdraw your initial Application and any concurrent or subsequent transfer of an existing pension you should write to the Operator before the end of the Cancellation Period advising that you wish to exercise your right to cancel. Each time you apply to transfer an existing pension you have the right to cancel the transfer.

Costs incurred during the Cancellation Period

There is no charge for cancelling your Application. The Operator however reserves the right to deduct charges for any services provided during the Cancellation Period. Any contributions received will then be refunded and any transfer values received, returned. Please note that these refunds will be subject to investment fluctuations if assets have been purchased during the Cancellation Period. As a result the value of the amount which you receive may be lower than originally invested. The transferring scheme may not be willing to accept back a transfer. If this occurs you may request a transfer to another pension provider.

13. TERMINATION

No fees or charges paid at the time of termination shall be refunded and those payable shall remain so and will include any charges associated with undertaking any transaction necessary to terminate your Plan. Termination will be without prejudice to the completion of transactions already initiated and the Operator is authorised to continue to operate the Cash Accounts relating to your Plan. Any notices which have been given for the purpose of settling or receiving monies in respect of transactions already initiated and paying any expenses or fees due to the Provider or other parties.

14. THE FINANCIAL SERVICES COMPENSATION SCHEME

More information about this scheme and on your eligibility to benefit from the protection afforded by the scheme is available on request or from the Financial Services Compensation Scheme, whose address is 10th Floor, Beaufort House, 15 St Botolph Street, London, EC3A 7QU.

15. CONFIDENTIALITY

The Operator and the Trustee undertake not to disclose, at any time, information coming into their possession during the continuance of your Plan except to the Member’s agents (including their Financial Adviser and Investment Manager), or any investment provider with whom the Plan has been invested or the organisation through whom the Plan has been introduced, unless expressly authorised to do so or where required to do so by law or any regulatory purpose and such information will be held in accordance with the provisions of Data Protection Act 1998. The Operator may also give essential information about the Plan to others if necessary to run the Plan this may include your Financial Adviser’s Network Head Office if commission or fee payments to your Financial Adviser, that you have authorised, are paid in this way.

Our regulator requires that we classify our clients as ‘retail’ (personal) or ‘professional’ (business). In all cases we will classify you as a retail client. This will give the highest level of consumer protection and in some circumstances access to the Financial Ombudsman Service.

16. INSTRUCTIONS AND NOTICES

The Member (or any Financial Adviser authorised by the Member) should give all written notices and instructions to the Operator in writing at Intelligent Money, The Shire Hall, High Pavement, Nottingham, NG1 1HN. You agree to receive communications and statements from the Operator via email and to notify the Operator if you wish to change your contact details or if you become aware that the security of any methods of communication that you use to communicate with the Operator has or may have been compromised.

Where we do not charge VAT on services that we understand to be VAT exempt, we reserve the right to collect VAT retrospectively should HMRC deem that VAT should have been payable on any such services. For the protection of all Scheme Members the Operator can from time to time levy ad hoc fees on all or certain Plans to ensure that all statutory and regulatory requirements and obligations of the Operator and Trustee can be met in full or be fully covered, in order that costs incurred as a result of specific Plans do not disadvantage other Plans. Should any single deduction be in excess of the Plan annual management charge, or 1% of each Plan value (whichever the greater), we will write to you giving 30 days’ notice of such deduction. The Trustee reserves the right to amend the charges or apply additional charges as described in the Key Features subject to providing the member with due notice which will not be less than 30 days.

The Netwealth Personal Pension is designed to provide you with the following:

- Access to a tax efficient environment in which to save for your retirement;
- Flexibility and control over the investments held within your Netwealth Personal Pension;
- The option of taking a tax free pension commencement lump sum in exchange for part of your pension;
- The option over the age of 55 to take a regular income, withdraw lump sum(s), purchase an annuity or remain invested;
- A lump sum, income or pension for your Nominee(s) or Successor(s) on your death;
- The ability to transfer your existing pension benefits, into your Netwealth Personal Pension (with certain exceptions);
- Flexibility as to types and the amount of benefits you receive from the Plan allowing you to tailor this to suit your own circumstances.

**Your Commitment**

**In investing in a Netwealth Personal Pension:**

- You and your Financial Adviser will review The Netwealth Personal Pension and the investments held within your Netwealth Personal Pension regularly to assess if they are suitable and appropriate to your needs;
- You can contribute to your Netwealth Personal Pension at any time and you can stop and start regular payments at any time without penalty;
- A pension is a long-term investment for your retirement and benefits cannot normally be taken until you have reached your 55th birthday except in limited circumstances e.g. when you retire due to ill health, or if you protected your right (which existed for employees in some occupations before April 2006) to take your entitlement to pre-April 2006 pension early.
- There are also restrictions on the type and amounts of benefits you can take from your Netwealth Personal Pension. These are set out below;
- All contributions will be automatically allocated to your Cash Account and invested as set out below;
- You must provide Intelligent Money with the information we need from time to time to operate your Netwealth Personal Pension and any changes to this, including any changes to your eligibility for tax relief.

**Risk Factors**

Many things could happen which would have an impact on the level of pension you receive from your Netwealth Personal Pension. You should review your pension arrangements regularly to check whether they are suitable and to ascertain whether your Netwealth Personal Pension will continue to meet your future pension needs. In particular you should note the following:

- Exercising your cancellation rights may result in you getting back less than you paid in;
- Past investment performance is not necessarily a guide to the future and some investments may carry greater risk in order to try to provide greater potential returns;
- Taking an income from your Netwealth Personal Pension at a rate higher than the investment growth rate may result in the value of your Netwealth Personal Pension being greatly reduced;
- Taking an income from your Netwealth Personal Pension while leaving holdings invested can be less certain than purchasing a pension via an annuity;
- The actual benefits you receive may be lower than your last illustration.

**This may be because:**

- Investment performance is not guaranteed and might be lower than expected;
- Interest rates and exchange rates might be lower than those illustrated;
- Annuity rates may fall;
- You might decide to withdraw a higher level of income;
- You might reduce your contributions to your Netwealth Personal Pension;
- Pension tax rules may limit the amount of contributions which you can make without incurring a tax charge;
- You might decide to start to take benefits earlier than shown on your illustration;
- Certain tax charges may reduce the value of your Netwealth Personal Pension;
- You might transfer your Netwealth Personal Pension to another pension arrangement which may achieve a lower investment return or have higher charges;
- Pension tax rules may change in the future and this could result in changes to the options available to you when taking benefits;
- Intelligent Money may increase its charges after giving you notice of a variety of reasons including:
  - taking account of any changes in our practice;
  - changes in law or a code of practice;
  - taking account of any regulation or recommendations of the FCA or any other regulatory body or decisions or guidance of any relevant ombudsman;
  - to take account of any changes or unexpected change in the service we provide;
  - to take account of any new or improved service or facilities which we may provide;
  - to take account of any ruling by a court or similar body;
  - to correct any errors which might be discovered; and
  - to enable Intelligent Money to maintain our financial strength in the collective interests of all our customers;
- Intelligent Money can also vary any charge for a valid reason where we reasonably believe that such a charge is appropriate;
- If you decide to transfer any existing pension arrangements to your Netwealth Personal Pension, and you have any doubts as to the suitability or appropriateness of The Netwealth Personal Pension, you should consult your Financial Adviser before deciding to invest in The Netwealth Personal Pension. The Operator does not offer advice on the suitability or appropriateness of the Netwealth Personal Pension to your needs.

You should also be aware of the following general risks:

- Your existing arrangement may ultimately provide greater benefits than those which you would receive under your Netwealth Personal Pension. This will, however, depend on investment performance, the changes it applies and annuity rates applicable at that time, together with some or all of the risks described above;
- Your existing arrangements may offer valuable guarantees that would not be matched by your Netwealth Personal Pension e.g. if you are or were a member of a final salary pension scheme offered by your current or former employer, this may include a right to particular level of benefit on retirement. If you transfer benefits from this arrangement you will lose any such rights or guarantees that may have been offered;
- By transferring these benefits to your Netwealth Personal Pension you give up your right to receive benefits from your existing pension arrangement (including guaranteed benefits);
- You may be able to receive a larger tax free pension commencement lump sum from your existing arrangements than would be available if you transferred those benefits to your Netwealth Personal Pension.

**Helping you Decide**

What questions should I ask before I decide to proceed? In this document we have given you the answers to a number of important questions:

**What is The Netwealth Personal Pension?**

- The Netwealth Personal Pension is a ‘Personal Pension Plan’;
- You or your Financial Adviser will select and appoint Investment Managers to arrange and administer your investments.
- You, your employer or a third party, may contribute to your Netwealth Personal Pension.
- You can choose to take a regular income from your Netwealth Personal Pension, make lump sum withdrawals or purchase an annuity, from the age of 55.
- From age 55 you can also take a tax free lump sum when you choose to access your Netwealth Personal Pension plan. This can be up to 25% of the value of your total pension fund in your Pension.

**Am I eligible to contribute to The Netwealth Personal Pension?**

To become a member of The Netwealth Personal Pension you must fall into one of the following categories:

- You are a UK Resident for tax purposes;
- You have relevant UK earnings;
The Netwealth Personal Pension Key Features

- You are a non UK resident (but were a UK resident when you set up your Netwealth Personal Pension and have been a UK resident at some time in the previous 5 tax years);
- You are a crown servant (or spouse or civil partner of a crown servant) with earnings subject to UK tax.

How much can I contribute?
- There are no upper limits on the amount that you or a third party can contribute to your Netwealth Personal Pension in a tax year, as long as you have earnings to support the contribution, but only a certain amount will be tax privileged. The tax privileged amount is known as the annual allowance.
- The annual allowance for the current tax year is £40,000, but this may be restricted to £10,000 depending on which of the choices you make when you take your benefits under the Plan.
- No tax relief will be granted on contributions to your Pension made after age 75.
- The annual allowance takes into account contributions made from all sources.

This comprises:
- Member contributions;
- Contributions from an employer;
- Any contributions made by a third party on your behalf (which in practice are normally treated as if they were the member’s own contributions, to take advantage of tax relief at source);
- Any contributions you make to any other pension arrangements you may have other than your Netwealth Personal Pension will also count towards the annual allowance;
- If one of your other schemes is a defined benefit pension (for example, a ‘final salary’ scheme), the income each year in value of your accrued rights is also treated as a contribution (in addition to your own contributions), using a standard factor set by law;
- Your contributions from these other arrangements will be aggregated with the contributions to your Netwealth Personal Pension when determining whether you have exceeded the annual allowance in a particular tax year;
- Contributions in excess of the allowance will be subject to a tax charge. This will be payable as part of your self-assessment tax return and it will be your responsibility to monitor this. You should consult your Financial Adviser regarding any remaining tax allowance within a particular tax year;
- The annual allowance will not be tested in the year that you die; and
- Any contributions made by you or a third party other than your employer in excess of the higher of £3600 or your relevant UK earnings will be refunded to you.

What about tax?
- If you are a UK resident you will have tax relief on the higher of:
  - £3600 gross; and
  - 100% of relevant UK earnings, capped at the relevant Annual Allowance;
- Any contributions made by your employer are paid to you gross. The employer can then claim relief (for example, against its liability to Corporation Tax) in respect of its contributions;
- If you are a non UK resident individual (but were in the past five years and when you joined The Netwealth Personal Pension) you will receive tax relief on contributions made by you or on your behalf up to £3600 gross.
- Your contributions to The Netwealth Personal Pension will be net of basic rate tax. The Operator will claim the basic rate tax relief from HMRC. The Operator will credit any basic rate tax reclaims to your Cash Account.
- If you pay tax at higher rates then you will be able to claim further tax relief at the higher rate. The Operator will reclaim the basic rate and you must reclaim the additional amount through your self-assessment tax return.
- Your fund will grow free of capital gains tax and UK income tax except that tax may not be reclaimed on UK dividends.
- The Government has introduced a new form of income withdrawal known as flexi-access drawdown, which generally replaces the previous alternatives of capped and flexible drawdown. However, if you are already in Capped Drawdown, you will have a choice of continuing in Capped Drawdown, or moving to flexi-access drawdown. You should seek advice on this option from your Financial Adviser.
- You now also have the new option of taking an *uncrystallised funds pension commencement lump sum* (UFPLS) out of any part of your Fund which has not been designated to provide income withdrawal or to provide an annuity. The first 25% of any such sum is tax-free. You should seek advice from your Financial Adviser in relation to this option.
- You may take up to 25% of your fund as a tax free pension commencement lump sum, subject to not exceeding your lifetime allowance.
- All pension payments to you will be paid via the PAYE system unless otherwise agreed.
- The inheritance tax (IHT) position, in particular can be complex, though all forms of taxation are a major consideration in making investment decisions. Tax rules can change at any time in the future. You should always take professional advice on the impact of the tax rules on your pension benefits.

How do I invest my contributions?
- Cash payments and cash transfers into your Netwealth Personal Pension will be paid into your Cash Account held with such bank or building society as the Trustee may determine.
- You, or your Financial Adviser, will nominate an Investment Manager to administer, arrange and take investment decisions regarding the investments you have chosen to hold within your Netwealth Personal Pension.
- Intelligent Money do not accept any liability for any loss as a result of any action by an Investment Manager, IFA or any other person or body responsible for any investment management or associated ancillary services related your Netwealth Personal Pension.

What choices will I have when I decide to take benefits from my Netwealth Personal Pension?
- You can decide to take benefits from your Netwealth Personal Pension from the age of 55 or defer taking benefits for as long as you wish; you do not have to take an annuity at age 75.
- If you are suffering ill health, you may be permitted to take your benefits before you reach age 55.
- When you choose to take benefits from your Netwealth Personal Pension the value of your Netwealth Personal Pension will be tested against your lifetime allowance (if you have primary or enhanced or fixed protection, you must inform the Operator).
- From age 55 you are able to choose from any combination of a number of benefits following the Government’s decision to enable members to access their pension funds with greater flexibility. These are:
  - a tax-free pension commencement lump sum of up to 25% of your fund;
  - if you are first accessing your pension fund on or after 6 April 2015, or before that date you were accessing your pension savings through "flexible drawdown", an income, taxed at your marginal rate of income tax, taken from a "flexi-access drawdown fund";
  - if before 6 April 2015 you were using “capped drawdown” to access pension savings, you have the choice to either remain in capped drawdown or to convert your fund into a flexi-access drawdown fund as explained above;
  - an uncrystallised funds pension lump sum, which can be paid as a lump sum from any part of your fund which has not already been crystallised. The first 25% of this will be free of tax, while the remainder will be taxed at your marginal rate of income tax;
  - purchasing a lifetime annuity to provide an income during your lifetime. You can choose whether this provides a fixed rate of income, or one that either increases or decreases during your retirement. You can also choose how long the annuity is guaranteed to be paid after your death, up to 10 years;
  - if any of your choices include either taking income from a flexi-access drawdown fund, or taking an uncrystallised funds pension lump sum, your Annual Allowance for further contributions will be replaced with the Money Purchase Annual Allowance currently set at £4,000. This means you will only be able to contribute this reduced amount without triggering a tax charge.
- Protected Rights ceased to exist on 6 April 2012, and are now treated as ordinary pension rights. As such any restrictions that used to apply in respect of these have fallen away.
- Your decision as to your choices in your circumstances is an important one. We, therefore recommend you discuss your retirement options with your Financial Adviser.
- You are also entitled to free, impartial guidance on your options under the Guarantee Guide announced by the Government, under which you are entitled to a 30 minute consultation (face-to-face or telephone) in relation to your options. We recommend that you take this pensions guidance, if you choose not to we can provide you with details of how to access this guidance on request.

What is the lifetime allowance?
- The allowance is the amount of your accumulated pension arrangements (including your Netwealth Personal Pension and any other pension arrangement that you may have) that can be used to provide benefits without incurring a tax charge.
- The standard lifetime allowance set by HMRC is currently £1,055,000. In certain circumstances the lifetime allowance may be enhanced for members who benefited from a higher entitlement in previous tax years.
- It is necessary to apply to HMRC if you think you are entitled to an enhanced lifetime allowance and you should speak to your Financial Adviser for further information regarding this. You need to supply us with the confirmation from HMRC of any enhanced lifetime allowance applicable to you.
- When benefits are taken from your Netwealth Personal Pension, this is known as a benefit crystallisation event (BCE). The BCEs that are most likely to be relevant to your plan are:
  - taking a pension commencement lump sum;
  - taking income in the form of income drawdown;
  - purchasing a lifetime annuity;
  - lump sum death benefit payments paid from funds which have not yet been applied to provide income drawdown;
  - transfers to a qualifying recognised overseas pension scheme;
  - when benefits are crystallised the value of the benefits being taken is tested against your lifetime allowance; and
  - any benefits taken in excess of your available lifetime allowance will be subject to the following tax charges:
    - 25%, applied on any funds in excess of those used to generate an income (i.e. those designated for a drawdown pension, or used to secure a lifetime annuity);
    - 55% on any lump sum taken in excess of the lifetime allowance.
The Netwealth Personal Pension

Key Features

What happens to my plan when I die?
- When you join The Netwealth Personal Pension, you will complete an expression of wish form which allows the trustees of The Netwealth Personal Pension to pay benefits to your Nominees when you die.
- The trustees will use an ‘expression of wish’ form to guide them in their decision as to how to pay this benefit, but this form is not binding upon them. This ‘discretionary trust’ structure means the payment can be made free from Inheritance Tax (IHT).
- The Government has introduced extensive new flexibilities to how your pension can be used after you have died, and generally reduced the amount of tax that will be payable on these options.
- The death benefits payable will depend on your age at death and whether you have started to take benefits from your plan prior to your death.

What happens if I die before age 75?
If you die before reaching age 75 and prior to the commencement of taking benefits, the full value of your fund can be used to provide for your beneficiaries, subject to current HMRC rules and will usually be free of inheritance tax and other tax charges, since the same ‘discretionary trust’ structure is used as described above.

(Your Financial Adviser can explain the relevant tax charges if applicable to your death benefit.)

If you had a drawdown pension fund that you had already drawn benefits from, it can be passed tax-free to a chosen Nominee or Successor as either a drawdown pension, or as a lump sum.

Any amount of your Fund that you had not taken any benefits from, can also be passed to a Nominee or Successor, as a lump sum.

What happens if I die after age 75?
If you had a drawdown pension fund that you had already drawn benefits from, this can be passed to a chosen Nominee or Successor as either a drawdown pension, or as a lump sum. If it is taken as a drawdown pension, a tax charge will be applied at the same rate as the recipient pays income tax. If it is taken as a lump sum, a tax charge of 45% will be applied.

From April 2015, to take benefits from your fund as a lump sum, it will be taxed at the same rate of tax that the recipient pays income tax.

Further information on Death Benefits is available from the Scheme Administrator.

What happens to my investments if I decide to change my mind?

- Cancellation rights in respect of the underlying investments will depend on the nature of the underlying investment and where applicable will be detailed in the Investment Manager agreement.

Can I transfer other pension arrangements into my Netwealth Personal Pension?
- You may transfer other existing pension arrangements you may have into your Netwealth Personal Pension. You must provide details of the transferring scheme to the Operator using the Transfer Form which will be supplied on request and Intelligent Money will contact the transferring scheme to arrange for the transfer of your funds. Intelligent Money will inform you when the transfer is complete.
- If you wish to transfer your fund in from an overseas pension fund the Operator will establish whether the transferring scheme is a recognised overseas pension scheme that is not a registered scheme. If it is, the Operator will accept the transfer but the transfer amount will not qualify for tax relief. If it is not a registered scheme you must apply to HMRC for this enhancement.

Can I transfer my Netwealth Personal Pension out to another scheme?
- You can transfer your fund out to another UK provider. Your new chosen provider will contact the Operator to initiate the transfer.
- If you wish to transfer your Netwealth Personal Pension Investments to an overseas pension provider, the Operator will establish whether the overseas scheme is a qualifying recognised overseas pension scheme (QROPS). If it is, the transfer can go ahead as an authorised payment. The transfer to a QROPS qualifies as a benefit crystallisation event and the amount to be transferred will be tested against your lifetime allowance.
- If the transfer value exceeds your available lifetime allowance, then you will be charged tax at 55% on the excess amount.
